Hi Ex. 6 Personal Privacy (PP)

Just want to give you the heads up that I expect the submitter may elevate P-20-0005 beyond me and [REDACTED] Back in Nov., we told them that the management review should be complete by early Jan. and we would therefore be able to issue an Order by end of January. I am about to email them to let them know we need more time to complete the case, and I expect them to now elevate beyond BC level. I am not asking you to do anything (this case is not on the current priority list), but just want to give you the heads up. Thanks.
